PCEO's Message Professor Emeritus Dato' Dr Azmi Omar President & Chief Executive Officer

In the name of Allah, Most Gracious, Most Merciful

As the quote goes, "The best way to predict the future is to create it". – Peter Drucker, Educator.

Each of our graduates has, in their own way, begun to shape a future that reflects their vision and values. Today, we celebrate not only what they have achieved but also the limitless possibilities they are yet to create. It is with great pride and joy that I extend my heartfelt congratulations to the Class of 2025 on this momentous occasion.

This year's convocation holds special significance for all of us at INCEIF University as we celebrate our 20th Anniversary with the theme "Building Legacy, Inspiring Innovation". Over the past two decades, INCEIF has grown from a visionary idea into a globally respected thought leader in Islamic finance, applied Shari'ah, and sustainability.

Our global community extends across more than 85 countries, including regions in Asia, the Middle East, Europe, Africa, and the Western Hemisphere. Some members now occupy senior roles in central banks and government agencies throughout Asia and the Middle East, where they influence policies that strengthen the financial systems and expand financial inclusion. Others have pursued careers in academia and education, contributing to the advancement of knowledge and inspiring future leaders. Many more have established enterprises and social ventures worldwide, generating employment, promoting sustainability, and uplifting grassroots communities.

At the heart of this mission is a timeless reminder from the Qur'an: "And say, My Lord, increase me in knowledge"(Surah Ta-Ha 20:114), a call that continues to inspire our mission of nurturing leaders who advance knowledge for the betterment of humanity.

As you move forward, take with you the knowledge, skills, and values you have gained here to make a real difference in your community. The road ahead may be challenging, but it is also full of opportunities to create positive and lasting changes.

To the Government of Malaysia, Bank Negara Malaysia, Ministry of Higher Education Malaysia, the financial services industry, and our partners from the academic, public, and private sectors in Malaysia and abroad, we express our utmost gratitude for your unceasing support.

On behalf of the faculty, staff, and wider INCEIF community, I wish you continued success, wisdom, and integrity as you embark on your next chapter. The strength of your journey lies not only in the knowledge you carry but also in the connections you forge along the way. Wherever your journey takes you, remember that you will always be a part of INCEIF.

Congratulations, Class of 2025. Go forth and inspire.

Commencement Speaker Tan Sri Dr Zeti Akhtar Aziz

Tan Sri Dr Zeti Akhtar Aziz is one of Malaysia's most distinguished leaders in economics and finance, whose vision, integrity, and steadfast commitment have left an enduring mark on the nation and beyond.

As Governor of Bank Negara Malaysia from 2000 to 2016, she led the country through transformative periods, including steering Malaysia to a successful recovery from the 1997–1998 Asian Financial Crisis. Under her stewardship, the financial system was transformed into a resilient, stable, and innovative system through key reforms and governance. In 2006, she chaired a regional task force that set the future direction for central bank cooperation in East Asia, further cementing Malaysia's role in regional financial leadership.

Beyond national borders, Tan Sri Dr Zeti was a founding member of the Bank for International Settlements Asian Consultative Council and became the first Co-chair of the Financial Stability Board Regional Consultative Group for Asia. She championed ASEAN's pursuit of regional financial integration that respects regional diversity, advocating strongly for regional cooperation and collaboration over unification.

Tan Sri Dr Zeti had a vital role in Malaysia's rise as a global hub for Islamic finance, overseeing the launch of the world's first global sovereign sukuk in 2002 and contributing to the establishment of key international Islamic financial institutions.

In 2005, she was instrumental in founding the International Centre for Education in Islamic Finance (INCEIF), an institution dedicated to Islamic finance education, now known as INCEIF University. She held the position of Chancellor of INCEIF from (2009 - 2022), nurturing generations of ethical finance leaders and guiding the institution's growth into a leading global education and research centre for Islamic finance.

A passionate advocate for education and capacity building, Tan Sri Dr Zeti also had a founding role in the establishment of the Asia School of Business in collaboration with MIT Sloan, where she continues as Founding Chair and Co-chair of the Board of Governors.

Building on her legacy as Governor, Tan Sri Dr Zeti has continued her impactful work on the global stage. She has advised on the Asian Infrastructure Investment Bank and contributed to various international commissions. In 2018, she was appointed Group Chairman of Permodalan Nasional Berhad and became a member of Malaysia's Eminent Council to advise on national reforms.

Her achievements have earned numerous prestigious awards across the globe, a testament to her exemplary service and lasting contributions.

Professor Emeritus Conferral Professor Datuk Dr Syed Othman Alhabshi

Professor Datuk Dr Syed Othman Alhabshi is a distinguished scholar and pioneer in Islamic economics and finance, widely recognised for his lifelong contributions to academia, research, and public service. Over more than five decades, he has helped shape Malaysia's higher education landscape and advanced the global understanding of Islamic finance and ethical economics.

He was the Founding President and Chief Executive Officer of Universiti Tun Abdul Razak (UNITAR) from 1997 to 2005, Malaysia's first private university, where he introduced innovative academic frameworks and governance models that continue to influence higher education today. Prior to that, he served as Deputy Director-General of the Institute of Islamic Understanding Malaysia (IKIM) from 1992 to 1997, and held senior academic positions including Deputy Vice-Chancellor (Academic) at Universiti Utara Malaysia (1987–1990) and Dean of Graduate Studies at the International Islamic University Malaysia (1990–1992).

Professor Datuk Dr Syed Othman holds a Ph.D. in Economics from the University of Birmingham (UK), an M.S. from the University of Wisconsin (USA), and a B.A. from the University of Malaya (Malaysia). A Certified Shariah Individual accredited by the Securities Commission Malaysia, he has served as Chairman and Member of various Shariah Advisory Committees, including those of Labuan Reinsurance (L) Ltd, Prudential BSN Takaful Berhad, Nomura Asset Management Malaysia, and Amanah Mutual Berhad. His counsel has also been sought by Maybank Islamic Berhad, Pak-Kuwait Takaful Ltd, and the Dubai Centre for Islamic Banking and Finance.

Beyond academia, he serves as Chairman of the Board of Directors of the Runnymede Group of Companies (since 1998) and Member of the Board of Governors of Multimedia University (MMU) (since 2021). In 2024, he was honoured with the Tokoh Perdana Maulidur Rasul award by His Majesty the Yang di-Pertuan Agong, in recognition of his contributions to religion, education, and society.

A prolific writer, Professor Datuk Dr Syed Othman has authored several influential works, including *Takaful: Concept, History, Development and Future Challenges*, *Macroeconomic Policy and Islamic Finance in Malaysia*, and *Wealth Planning and Management*. He has also received the Pacific Basin Finance Journal Research Excellence Award (2013), the Silver Award for Innovation and Design (2012), and an Honorary Doctorate in Education (2015) from UNITAR International University.

A respected educator, advisor, and intellectual, Professor Datuk Dr Syed Othman Alhabshi remains an influential voice in the continuing development of Islamic finance and values-based economic thought.

THE MACE

The mace is a ceremonial instrument designed to reflect dignity and solemnity of the occasion where it plays a special role. It is a symbol of authority of the university.

The mace symbolises “simplicity” because INCEIF offers accessible and flexible education for anyone who desires it.

Conceived of traditional design and form, it is greatly influenced by artistic structure and carvings.

Designs with Islamic characteristic and artistic motifs signify the firm integration of the university and the industry as well as the dynamism of the programmes offered in the university’s quest towards making the vision, mission, and objectives of the university a reality.

The design proportion is in keeping with general dimensions of maces used in other universities, and divides into three main sections.

The mace is small at the bottom and it gets bigger as it rises to the top, symbolising the blossoming of knowledge at INCEIF.

The university expands alongside with global expansion of the Islamic financial services industry.

The first section starts with a dome that represents the world view of Islam, the guiding principles through which INCEIF was established.

An eight-pointed star, in which INCEIF’s logo is embossed, indicates excellence.

The second section, which is the body, symbolises steadfast and resolute commitment to achieve excellence in the research as well as in the dissemination of knowledge in Islamic finance.

INCEIF’s system of education is placed on a strong foundation as symbolised by the pillar at the third section of the mace.

It portrays ethics, integrity and professionalism as the foundation of its role in advancing the frontier of Islamic finance for the development of human capital and well-being of people and planet.

CONVOCATION REGALIA

Institutional motif design of the INCEIF robe:

The design is made up of a circle, the Arabic word “Iqra” and digital electronic circuit. The circle represents the globe and wholesomeness of INCEIF programmes and graduates. The “Iqra” in the circle represents the revealed verse of the Al-Quran which means “Read!” or “Pursue Knowledge!”. The digital electronic circuit represents the information and communication technology.

DR RANDI SWANDARU
INDONESIA

PhD in Islamic Finance

RRANDI SWANDARU began his career at Bank Syariah Mandiri before joining Danone Indonesia as a packaging buyer. His passion for humanitarian work led him to BAZNAS (the National Zakat Board) in 2013, where he rose to IT Manager, leading the nationwide rollout of BAZNAS' digital systems. His growing commitment to Islamic finance took him to Durham University, where he earned an MSc in Islamic Finance and Management with distinction and was named Best Graduate.

Returning to BAZNAS, he was appointed Deputy Director of Zakat Utilization, overseeing national poverty alleviation programmes. His leadership was recognised through fellowships with the Obama Foundation Leaders Asia-Pacific (2019) and YSEALI Professional Fellows (2020).

In 2021, Randi began his PhD at INCEIF University under the Chancellor's Scholarship while serving as an Islamic Philanthropy Specialist for Médecins Sans Frontières (MSF) Asia-Pacific and as an education consultant for Schoters. A proud father of twin daughters, he balanced family life with his passion for research, publishing widely and winning the 2024 Malaysia 3-Minute Thesis Competition.

Randi now serves as Project Director of the BAZNAS Institute and sits on the BAZNAS Task Force for Indonesia Aid to Palestine. Most recently, he took part in a humanitarian airdrop mission delivering aid to Gaza in August 2025.

PRESIDENT'S AWARDS

MOHHD FIRDAUS ABD SAMAD is an accomplished corporate leader with over a decade of experience in legal, governance, and strategic advisory roles. As Executive Director of Corporate Advisory at a government-linked company, he has led complex corporate transactions and strengthened governance practices that align commercial objectives with long-term societal impact.

Driven by a belief in lifelong learning, Firdaus has continued to broaden his expertise through executive programmes at Harvard University (Creating Collaborative Solutions), the Basel Institute on Governance (Corporate Governance & Compliance), and INSEAD (Value Creation for Owners and Directors). He is also a Certified Integrity Officer (MACC) and a qualified Company Secretary (MACS).

His journey through the Executive Master's in Islamic Finance (eMIF) at INCEIF reflects both his passion for Islamic finance as a force for ethical and sustainable growth and his commitment to balancing leadership, academic excellence, and family life. Firdaus believes that true success is measured not by titles or accolades, but by the positive change one creates – embodying the prophetic wisdom that “the best of people is those who bring the most benefit to others.”

(Sustainable Business)

MOHAMED FAIZAL MOHAMED FAROUK is an accomplished HR professional with extensive experience in total rewards and data-driven human resource management. He began his career as an Information Technology (IT) Analyst before transitioning into HR, where he built deep expertise in compensation and benefits, leadership and organisational development, and performance management within the energy industry.

Over the years, Faizal has held key leadership roles in HR management, culminating in his current position as General Manager, Data & Reward Management, HR Services at PETRONAS. Known for his analytical approach and strategic mindset, he is dedicated to fostering a culture of excellence, equity, and continuous improvement in the workplace.

Faizal holds a Master of Engineering (MEng) in Electrical & Electronic Engineering with Management from Imperial College London and a Master in Islamic Finance (MIF) from INCEIF University. He is also a Chartered Member (MCIPD) of the Chartered Institute of Personnel and Development (CIPD, UK) and a Global Remuneration Professional (GRP®) certified by WorldatWork USA.

Guided by a belief in ethical leadership and sustainable business practices, Faizal advocates for harnessing data-driven insights and people-centred strategies to build resilient, agile, and responsible organisations that balance business success with social and environmental impact.

SHAFI DEWI NUGROHO has nurtured a passion for business and management from a young age. She earned her Bachelor's degree in Entrepreneurship from Institut Teknologi Bandung, Indonesia, in 2021. She later pursued a Master of Islamic Finance Practice at INCEIF University, driven by her aspiration to explore the intersection of business and Islam.

For Shafa, the time spent at INCEIF was transformative, filled with invaluable lessons from inspiring professors and friendships with peers from across the world. It also deepened her understanding of the global Muslim landscape she had long wished to engage with. During her studies, she presented her research in Aceh, Indonesia, and at Durham University, United Kingdom, and through the Action-Based Learning (ABL) programme, she connected with CrescentRating, the company she continues to work with today.

Since then, Shafa has helped strengthen the quality of Muslim-friendly hospitality through audits of more than 50 hotels, attractions, and restaurants across Hong Kong, Australia, the Philippines, Thailand, Indonesia, South Africa, and beyond. She envisions a global tourism industry where every destination warmly welcomes Muslim travellers and allows them to feel truly at home.

Deeply grounded in family values, Shafa draws strength from the love and support of her family. Together, they manage a Palestinian restaurant in Jakarta; her heartfelt way of spreading awareness, connecting communities, and standing in solidarity for a free Palestine.

HUZHAIFAH KAMAL is deeply committed to advancing scholarship at the intersection of Shariah and Finance. He holds a Bachelor of Arts in Fiqh and Usul al-Fiqh from University of Jordan and a Bachelor of Science in Accounting and Finance from University of London. His intellectual curiosity and academic excellence led him to pursue a Master of Science in Islamic Finance at INCEIF University, where he explored themes such as zakat, Maqasid al-Shariah, and the integration of Islamic jurisprudence with contemporary financial realities.

During his postgraduate studies, Huzhaifah served as a Research Assistant at ISRA Institute, contributing to projects on takaful, the Maqasid Index, Islamic Intellectual Property, and the 2023 Value-Based Intermediation (VBI) Report. His work on Islamic Climate Finance in Malaysia reflected his growing interest in sustainability-focused Islamic financial instruments.

Beyond academia, he has been actively engaged in applied Shariah research. As a Fatwa Lab Researcher with the Islamic Religious Council of Singapore (MUIS), he co-authored the paper "Religious Guidance for Singaporean Muslims to Prenatal Screening," which informed the Fatwa on Carrier Screening issued in July 2025. His contributions also span research on alternative proteins, Hajj management, and criminal law, demonstrating his dedication to the advancement of Shariah scholarship beyond finance.

Currently pursuing his PhD in Islamic Finance at INCEIF University, Huzhaifah's research seeks to integrate Usul al-Fiqh principles with empirical methodologies, developing analytical frameworks that bridge classical Islamic legal reasoning with modern empirical approaches. He aspires to contribute to the intellectual and institutional development of Islamic finance in Singapore, strengthening the nexus between Shariah and contemporary financial systems.

Why Join the INCEIF Alumni Community?

Stay Connected: The bonds you've formed during your time at INCEIF are valuable. By joining our alumni network, you can stay connected with your fellow graduates, faculty members, and the institution itself. These connections can prove invaluable in your personal and professional life.

Networking Opportunities: Networking is key to success in any field. Our alumni community offers numerous opportunities to connect with professionals from the Islamic finance industry and related sectors. You can tap into this network to explore job opportunities, seek advice, or collaborate on projects.

Access to Resources: As an INCEIF alum, you'll have access to exclusive resources, including research papers, webinars, and industry reports. This access can be a valuable asset as you continue to grow in your career.

Continuous Learning: The world of finance is dynamic and ever-changing. Our alumni community provides opportunities for lifelong learning through workshops, seminars, and conferences, helping you stay updated with the latest industry trends and developments.

Mentoring and Support: Whether you are a recent graduate or an experienced professional, you can benefit from the guidance and support of more seasoned alumni. Our mentoring programs facilitate knowledge transfer and personal growth.

News, Events and Promotions: Provides a streamlined way for alumni to access real-time updates and information. It keeps you informed about university news, upcoming events, and exclusive promotions. This feature fosters engagement, enabling alumni to stay connected with their institution, participate in events, and take advantage of valuable opportunities, all in one convenient location.

Share Success Stories and Memories: This enables graduates to post achievements and fond memories. It promotes community bonding and inspiration among alumni by highlighting personal and professional milestones, fostering a sense of connection, and celebrating the unique journeys of INCEIF graduates.
